INTRODUCTION

INTRODUCTION

ESTABLISHED 1876

W.RE, together with Stiff + Trevillion architects, have sensitively reimagined the iconic Grade II listed Arding & Hobbs building to provide a mix of uses, including leisure, retail and F&B alongside cutting-edge, modern workspaces. The project introduces contemporary design interventions including a new roof pavilion and terrace which open out to sweeping views of the city.

ARDING & HOBBS

LOCAL AREA & CONNECTIVITY

INTRODUCTION TO BATTERSEA

IT'S ALL IN A HOP, SKIP...

Situated adjacent to Clapham Junction Station, Arding & Hobbs benefits from the energy of a town-centre location, minutes from the epicentre of one of the world's great metropolises'.

With an abundance of food, drink, and retail options on its doorstep, as well as the greenery of Clapham Common and Battersea Park only a short walk away, Arding & Hobbs can lay claim to a perfectly balanced variety of extra-curricular activity.

...AND A (VERY SHORT) JUMP

Best of all, the building is positioned opposite London's best-connected station, offering tenants unbeatable connectivity across the city, with direct services into Central London terminals in 8 minutes.

OUR TEAM

PARTNERS

W.RE

PROPERTY SPECIALISTS

Founded in 2013 and based in the heart of Soho, W.RE are a team of London focused commercial property specialists creating value for investors, occupiers, and the wider community by identifying investment opportunities that improve the spaces we work, play and live in.

W.RE projects range from ground-up development to repositioning of existing buildings through to active asset management of properties across core and emerging locations in London. W.RE have a track record in identifying and improving sites that are in prominent, constrained and densely populated locations. Working in partnership with stakeholders and the local community, W.RE celebrates London's heritage while unlocking each building's potential.

STIFF + TREVILLION

ARCHITECTS

Stiff + Trevillion Architects are a well established West London practice with a strong reputation for elegant and sophisticated architecture. Collaboration is at the heart of the practice's ethos. Working across the private sector, from new build office and residential, to the interior design of offices, private houses, restaurants and retail.

The practice is an active member of New London Architecture and British Council for Offices and has won many architectural awards most recently recognised as the 2021 BD Office Architect of the Year, and an INSIDE Festival of Interiors winner in 2021.
